

At PwC Greece, we believe change is the new constant. An enterprise's ability to innovate, adopt new technology and disrupt the status quo is a core capability needed to thrive. We support and guide clients to disrupt their existing business models. Innovative mindsets and human ingenuity are always welcome. This is why we are looking for you.

If you are a problem solver with motivation to learn, someone willing to collaborate with different teams across PwC Greece, a good communicator with high emotional intelligence and someone willing to take ownership beyond the obvious, then you are the one!
If you are committed to excellence in client service and passionate about how technology could be an enabler in our digital world, then you are the one!

Are you ready to deep dive in the **Consulting** field?

Be part of our **Consulting Graduate Program** to work with the best Consulting teams and grow your career in the global leading professional services firm in Greece. You will be coached by top professionals to gain valuable insights and understand how client's business works. You will have the opportunity to develop unique and diversified skills through high scale projects.

What's it like to work in Consulting?

You'll typically find yourself working as part of a team, spending a lot of time with clients, dealing with issues as they arise, and gaining valuable exposure to different types of projects. You'll carry out detailed analysis and help make recommendations that change their businesses. This experience combined with deep technical training and an emphasis on continual learning will equip you with the skills to really make a difference.

Join us and start to build an extraordinary career!

Kick off your career with us in one of the below teams:
